Price	<b>111.00 Euro</b>
Availability	<b>On request</b>
Number	<b>CHCLK19</b>
EAN	<b>4031566356290</b>

### Product description

The Basic chess clock from Garde is made in Germany to extremely high standards. This clock features a solid wooden case, LCD dials with a 160 degree viewing angle, extendable feet for added stability. This timer comes supplied with batteries and a multitude of features including a low battery warning, switchable buzzer, 20 games settings including FIDE, Fisher & Bronstein. Like other Garde clocks it has been available in light (natural wood) colour only.
