### Product description

The Junior chess is a smaller version of the Royal set. The size of its folding case is 42x21cm instead of 54x27cm. The chessmen with burned ornaments are made from hornbeam and sycamore wood and they are weighted. The additional ornaments have been burned on the dark squares of the board. The burned folding chess board has an insert tray for the chess pieces storage inside. This set is available in various colours.
