Product description

Okładka miękka.
Język angielski, diagramy szachowe.

When Boris Avrukh released his 1.d4 repertoire books in 2008 and 2010, they caused a sensation. GM Michael Adams remarked that "The high-quality Grandmaster Repertoire series has taken this format to a completely different level." Avrukh's newly revamped 1.d4 series has raised the bar even higher.

Volume 2B completes the series by providing cutting-edge antidotes to tricky defences such as the Dutch, various Benoni set-ups, Benko and Budapest Gambits, and anything else not covered in volumes 1A, 1B & 2A. With innumerable updates and improvements to the author's previous work, this book is essential reading for any ambitious 1.d4 player.

Boris Avrukh is a grandmaster from Israel. He is an Olympiad gold medallist, former World Junior Champion and analysis partner of World Championship finalists.

Review of the author's previous work:

"A benchmark for future authors to follow, this book represents nothing short of a technological advance in chess opening theory."

GM Glenn Flear, New in Chess
