Product description

Wersja językowa książki - angielska.

In this, the last of three volumes on 1.e4, GM John Shaw completes his state-of-the-art White repertoire by tackling the biggest challenge of all: the main lines of the Sicilian Defence. Just like the other two books in the series, this book is based upon a foundation of tried and tested main lines, boosted by a number of innovative suggestions that will cause no end of trouble to your opponents.

Including the Dragon, Taimanov, Sveshnikov and concluding with the nefarious Najdorf, this book provides everything you need to face all the major Sicilian systems with confidence.

John Shaw is a grandmaster and three-time Scottish Champion.
